

## eRHIC R&D Working Groups Coordination Meeting of July 16, 2015

Attending: Ilan Ben-Zvi, Wolfram Fischer, Kerry Mirabella, Dejan Trbojevic, Khianne Williams.

Excused: Sergey Belomestnykh, Michael Blaskiewicz, Vladimir Litvinenko, Vadim Ptitsyn, John Skaritka.

We did not have a presentation today, since the subject of eRHIC Design / beam dynamics has been removed from the review, leaving just experimental activities on.

Khianne distributed a template for the review presentation, with an example based upon the CBETA, setting up the required format. Please use this template from now on.

The schedule for the future meetings:

July 23 - Presentation of plans for SRF and Gatling Gun.

July 30 - Resolving conflicts of requested resources.

August 6 - Dry run for the review (whole day).

August 10 and 11 – review.
